

Volunteer Opportunity Teach and Operate Amateur Radio with Youth (Ages 12-17)

Club Zone, located at Lakeside Academy, is looking for a volunteer to introduce our youth members (ages 12-17) to the exciting world of amateur radio!

We're seeking someone who can teach the basics of radio communication, operating procedures, and hands-on practice using real equipment. This is a great opportunity to engage young minds in STEM, communication skills, and global connectivity.

What You'll Do:

- ✓ Lead a weekly amateur radio activity for youth ages 12-17
- ✓ Teach radio basics, call signs, and on-air etiquette
- ✓ Provide hands-on experience with operating radio equipment
- ✓ Help youth make their first radio contacts and explore different modes (SSB, digital, Morse code, etc.)
- ✓ Inspire curiosity about radio technology, emergency communication, and global connections

Time Commitment: Once per week (schedule flexible)

Location: Club Zone at Lakeside Academy

This is an excellent opportunity for licensed amateur radio operators, radio enthusiasts, or educators who want to share their passion and help young people discover the magic of radio communication.

If you're interested or know someone who might be, please contact us at anthony@clubzone.fun, or call 514-604-0353.

Let's get on the air and inspire the next generation of radio operators!

About Club Zone de Lachine

Founded in 1996, Club Zone de Lachine is the largest English-speaking youth club in Quebec. Based at Lakeside Academy, we provide hands-on learning experiences for youth aged 8 to 17, offering programs in electronics, Arduino programming, drones, crafts, video gaming, cooking, sports, movies, outings, and more. While our core focus is on teens (12-17), we also run activities for younger members (8-11) to spark curiosity and develop skills in a fun and educational setting. As a community-driven initiative, we are committed to helping youth learn, create, and grow in a collaborative and enriching space!
